DATE: JANUARY 23, 2007.

P.C.:-

This civil application has been taken out for restoration of the main petition which was dismissed for non-removal of office objections. That order was passed way back on 4th August 2004. That order was self-operative order. That order gave four weeks time to remove the office objections. Since the present civil application prays for restoration of the main petition we granted further time till 23rd January 2007 by our order dated 16th January 2007 for removal of the office objections and we made it clear that if the objections are not removed within the stipulated period, the matter will stand dismissed for non prosecution. Objections are still not removed. That being the

position this applications stand dismissed. Consequently the main petition also stands dismissed.
